

Camp Ignite

June 20-24, 2017
"Igniting Courage, Confidence, & Character"

A hands-on resident camp that focuses on the development of teamwork, self-confidence, and leadership skills in young women by utilizing fundamental firefighting skills.

During this 4 night/5 day "deployment", campers will be housed in air conditioned Urban Search and Rescue Tents on the CFD/CMPD Training Academy property. The curriculum provides a safe, dynamic, and interactive environment, along with an opportunity to train alongside professional female firefighters.

Participants will learn skills associated with search and rescue techniques, hose-line advancement, rappelling, ladders and more. Camp Ignite educates young women to follow their dreams by introducing them to a future of limitless opportunities, regardless of gender.

A graduation ceremony and reception for family and friends will be held on Saturday, June 24th.

****All necessary firefighting equipment and gear will be provided by CFD.****
